THE ART AND SCIENCE OF PURE FLOWER AND PLANT ESSENCES

# SERVICE MENU

Aveda UAE

## Aveda in the UAE

Aveda's holistic approach to beauty and health calls for ingredients of the highest integrity. Aveda's products combine the "Art and Science of Pure Flower and Plant Essences" with ingredients sourced from local communities around the world. Since its founding by visionary Horst Rechelbacher in 1978, Aveda continues to innovate and to live up to its mission of environmental and social responsibility.

Our vision in the UAE is to create stunning one stop ladies only destinations that will be the ultimate place to fully experience the Aveda salon concept and where you will find:

- An international multi-lingual team of experts offering precision haircutting and technical services including treating the hair and scalp through nourishing aromatic plant oils and therapeutic products.
- The unique Color Bar where your customized formulas are created using Aveda Color Full Spectrum™ that is up to 99% natural-derived\* and essentially damage free.
- Beauty on demand services, combining high performing, plant based skin and body care with high-touch techniques for express treatments from scalp to soul.
- A beautiful boutique offering the entire range of Aveda's high performing products and where you can experience Aveda's holistic approach of connecting beauty, wellness and environment.

At Aveda, we provide customized solutions for all our guests. We are looking forward to welcoming you for a private consultation and tour of our fabulous locations.

## Hair service

Our team of professionals are highly experienced in working with all hair types and textures. They will create a look that caters for you and your lifestyle. After a thorough consultation, you will be treated to a Stress-Relieving scalp and shoulder Ritual and your hair cleansed and conditioned using Aveda products prescribed by your stylist.

## Aveda facials

Aveda's plant powered alternatives to microdermabrasion and chemical peels

### Dual exfoliation peel

The latest advancement in non-invasive, skin renewing treatments, this innovative treatment combines Aveda's naturally derived mechanical and biochemical exfoliation methods into one powerful service, transforming and rejuvenating the look of skin. This treatment immediately improves the appearance of skin texture and radiance and smoothes the appearance of fine, dry lines and pores.

AED 375

### Botanical skin resurfacing treatment

Go beyond microdermabrasion and energise the look of your skin with our resurfacing treatment. Help to smooth the look of skin's texture and the size of pores whilst significantly increasing radiance; all with less visible redness and irritation than a microdermabrasion procedure.

AED 220

### Perfecting plant peel™

Advancing the science of chemical peels, this treatment helps retextures skin's appearance, smooth the look of fine dry lines and pores whilst restoring radiance. Safe for blemished skin, the perfecting plant peel™ can be performed as a standalone treatment or added to any other facial treatment any time the skin needs the exfoliation and radiance benefits of a 30% glycolic peel procedure with less of the associated redness and irritation.
